TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2008

The Trustees present the annual report and audited financial statements for the year ended 31 December 2008.

These financial statements have been prepared under the provisions of the Amended and Restated Declaration Trust described below and in accordance with applicable International Financial Reporting Standards.

BACKGROUND SUMMARY

PIDG is a multi-donor arrangement established and directed by the Donors. PIDG aims to facilitate the provision of infrastructure needed to eliminate poverty in developing countries by encouraging private investment. PIDG has established the PIDG Trust as a vehicle for its activities. In general, this provides a vehicle for Donors to pool, co-ordinate and administer funds in relation to all PIDG activities.

OBJECTS AND STRUCTURE

The PIDG Trust was established by a Declaration of Trust dated 1 December 2001 as amended by an Amended and Restated Declaration of Trust dated 14 March 2003 (the "Declaration of Trust"). The PIDG Trust has three Trustees – two based in Mauritius and one in the United Kingdom. The Trustees act jointly for and on behalf of the PIDG Trust. The PIDG Trust was established for the purposes of:

- i. facilitating the provision of the infrastructure needed to eliminate poverty in developing countries by encouraging private investment;
- ii. making investments in accordance with the investment plan adopted by the Trustees;
- iii. exercising any rights of control and influence arising from its investments;
- iii. investing, applying or otherwise using its funds for the relief of poverty in developing countries in such manner as the Trustees with the consent of the Protector but otherwise in their discretion think fit;
- iv. administering and paying PIDG general administration costs and project development costs.

OPERATIONAL PROCEDURES

The Trustees carry out the following tasks in relation to the PIDG programmes:

- i. reviewing and executing grant & loan agreements;
- ii. reviewing and executing contracts for services with consultants;
- iii. co-ordinating and authorising payments under the grant loan and consultancy agreements executed and in the case of the Principal Trustee recording income and expenditure in the records of the PIDG Trust and creating and monitoring rolling expenditure forecasts for all programmes; and
- iv. acting as shareholder (as PIDG itself cannot); attending shareholder meetings and executing any documents relating to the PIDG Trust's capitalisation of investment vehicles.

In addition and in conjunction with the PMU, the PIDG Trust is responsible for the updating and monitoring of the budgets for general administration costs, project development costs and the Technical Assistance Facility ("TAF").

The Trustees are obliged to operate by unanimity, whether signing a grant agreement with a PIDG member for the provision of funds, or acting as a shareholder of one of the investment vehicles.

Before acting, the Trustees require the approval of the PMU and the relevant Donor/PIDG Programme Manager. In particular, for certain acts in relation to investment vehicles, the Trustees cannot act without the prior written permission of the Protector of the PIDG Trust.

In particular, the Trustees act at the instruction of the PMU and in accordance with the Declaration of Trust.

- ii. within 45 days of the end of each quarter, progress reports on the status of the activities of all entities which the Trustees support and in the case of EAIF, any special reports relating to the investments of EAIF in such form and detail as PIDG may require but in any event confirming that all EAIF investments during that quarter were made in compliance with the EAIF investment policy;
- iii. reports on the activities of the PIDG Trust;
- iv. an annual management assertion, together with an attestation form the Trustees' external auditors of the satisfactory performance of the procedures and controls used by the Trustees in administering the funds it holds;

**INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF
THE PRIVATE INFRASTRUCTURE DEVELOPMENT GROUP TRUST**

We have audited the non-consolidated financial statements of the PIDG Trust for the year ended 31 December 2008 which comprise the Balance Sheet, the Capital Account, the Statement of Accumulated Funds, the Cash Flow Statement and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the Trustees as a body. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the PIDG Trust and the Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Trustees and auditors

As described in the Trustees' Report the Trustees are responsible for the preparation of the non-consolidated financial statements in accordance with applicable law and applicable International Financial Reporting Standards.

Our responsibility is to audit the non-consolidated financial statements in accordance with relevant legal and regulatory requirements and International Auditing Standards (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with applicable International Financial Reporting Standards. We also report to you whether, in our opinion, the Trustees' Report is consistent with the financial statements, if the PIDG Trust has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read the Trustees' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Auditing Standards (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the PIDG Trust's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the non-consolidated financial statements.

Opinion

In our opinion the non-consolidated financial statements give a true and fair view of the state of the PIDG Trust's affairs as at 31 December 2008 and of its results of operations and cash flows for the year then ended, have been properly prepared in accordance with applicable International Financial Reporting Standards and the Trustees' Report is consistent with the financial statements.

THE PRIVATE INFRASTRUCTURE DEVELOPMENT GROUP TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2008

1. ACCOUNTING POLICIES

(a) Basis of preparation

The non-consolidated financial statements have been prepared under the historical cost convention and in accordance with applicable International Financial Reporting Standards.

IAS 27 states that consolidated financial statements should include all subsidiaries of the parent undertaking.

However, consolidated accounts are not prepared. The PIDG Trust invests in special purpose companies in order to further its international development objectives. These subsidiary companies carry on activities distinct from the PIDG Trust and the Trustees consider that the consolidation of these special purpose companies would be misleading.

(b) Reporting currency

The financial statements are presented in United States Dollars. The majority of the funds received and transactions carried out by the Trustees are in US Dollars and therefore reporting in US Dollars better reflects the economic substance of the underlying events and circumstances of the PIDG Trust.

(c) Foreign currency exchange differences

Translations in currencies other than the reporting currency are translated at the exchange rates ruling at the date of such transactions. Monetary assets and liabilities denominated in currencies other than the reporting currency are retranslated at exchange rates ruling at the balance sheet date. All differences are dealt with in the fund from which they arose and therefore are included in the Statement of Accumulated Funds, except where exchange rate gains or losses derive from amounts advanced in respect of an issue of share capital, in which case they are taken to the capital account.

(d) Investments in Undertakings

Investments in undertakings are stated at cost less provision for impairment in value of investments. It is the Trustees' policy to write the cost of investments down to the value of the net assets of the special purpose companies held at each balance sheet date. Impairment provisions are charged to the capital account on the basis that capital has been invested for the purpose of acquiring share capital of special purpose companies.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on deposit with the PIDG Trust's bankers.

(f) Capital account

The capital account represents funds received from donors on a non-refundable basis together with the impairment in value of special purpose companies established by the PIDG Trust in the furtherance of its objects.

(g) Accumulated funds

The accumulated fund comprises general unrestricted and restricted funds. Restricted funds are those which have been set aside by the Trustees for a particular purpose in accordance with donors' conditions.

(h) Income and expenditure included in the Core Trust Administration Fund

Income and expenditure is accounted for on an accruals basis. The Core Trust Administration Fund for General Administration Costs exists in order to fund the administration and operating expenses of the PIDG. Under an agreement dated 1 December 2001, DFID had undertaken to make available contributions to cover any shortfall which would otherwise arise from the excess of expenses over interest receivable up to June 2004. Under the Constitution of the PIDG, after June 2004, General Administration Costs will be born by all the donors in equal amounts. Where amounts are receivable with certainty at the year end, these are credited to "Contributions receivable to cover costs and fees".

Therefore the investment in EAIF as at 31 December 2008 is included in the accounts at US\$100,000,000, representing the lower of cost and share of net asset value.

THE PRIVATE INFRASTRUCTURE DEVELOPMENT GROUP TRUST

NOTES TO THE FINANCIAL STATEMENTS (continued)

2. INVESTMENTS (continued)

(c) GuarantCo Limited (UK)

Constitution

The company was incorporated in London on 18th September 2003 but transferred its business to GuarantCo Limited (Mauritius) on 15th September 2005. GuarantCo Limited (UK) was dissolved on 28 May 2007.

The principal activity of the company was support of the establishment and operation of a local currency guarantee facility for infrastructure investments in developing countries.

DFID made an arrangement to make available to the PIDG Trust a contribution not exceeding £15,600,000 at ruling rates of foreign exchange for GuarantCo Limited (UK). On 31 December 2003 a contribution of £5,500,000 (US\$9,743,250) was received from DFID and invested by the PIDG Trust in the equity share capital of GuarantCo Limited (UK).

During the years ended 31 December 2005 and 2006 GuarantCo Limited (UK) transferred US\$9,217,082 to GuarantCo Limited (Mauritius) on liquidation.

(d) GuarantCo Limited (Mauritius)

Constitution

The company was incorporated in the Republic of Mauritius on 25 August 2005. GuarantCo Limited (UK) transferred its business to GuarantCo Limited (Mauritius) on 15th September 2005.

The principal activity of the company is support of the establishment and operation of a local currency guarantee facility for infrastructure investments in developing countries.

The GuarantCo concept involves the establishment of a company that will offer partial guarantees on issues of paper (note and bonds) by private sector infrastructure companies and municipal entities, in lower income developing countries. GuarantCo's primary aim is to keep institutional funds within these markets, which cannot at the moment be accessed by infrastructure projects.

As at 31 December 2008, GuarantCo Limited (Mauritius) reported net assets of US\$76,162,498 (2007: US\$65,294,617) and a profit for the year to 31 December 2008 of US\$867,881 (2007: US\$1,039,707). Therefore the investment in GuarantCo Limited (Mauritius) as at 31 December 2008 is included in the accounts at US\$47,910,242, representing the lower of cost and share of net asset value.

Additional funding

The Trustees of the PIDG Trust received a loan from Sida of US\$8,000,000 in 2008. This share subscription was paid to GuarantCo on 2 September 2008.

THE PRIVATE INFRASTRUCTURE DEVELOPMENT GROUP TRUST

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2008

2. INVESTMENTS (continued)

(e) InfraCo Limited

Constitution

The company was incorporated in England on 4 August 2004. The principal activity of the company is to develop projects in the infrastructure sector of the poorer developing countries and endeavour to sell on the implementation of these projects to private investors.

DFID made an arrangement to make available to the PIDG Trust a contribution not exceeding £5,900,000 at ruling rates of foreign exchange for the purpose of funding InfraCo.

By a letter dated 6 March 2006 between DGIS and the PMU, DGIS agreed to facilitate the subscription by the PIDG Trust for shares in InfraCo for up to US\$10,000,000 in two tranches. This represented the reallocation of an approved but unpaid allocation by DGIS of US\$10,000,000 for EAIF.

As at 31 December 2008, InfraCo reported net liabilities of £1,762,535 or US\$2,552,010 (2007: US\$799,280 net assets) and a loss for the period to 31 December 2008 of £6,101,714 or US\$11,318,679 (2007: US\$7,772,893 loss). Therefore the investment in InfraCo as at 31 December 2008 is included in the accounts at nil, representing the lower of cost and share of net asset value.

Additional Funding

The Trustees made a share subscription of £3,971,702 (US\$5,750,707) to InfraCo in return for 3,971,702 ordinary £1 shares in InfraCo.

A share certificate for the above subscription was not actually issued until after the year end. Therefore this balance is included within debtors rather than as an investment within these accounts.

3. DEBTORS

	2008 US\$	2007 US\$
Advances in lieu of share subscriptions	5,750,707	5,000,000
Amounts due from InfraCo	7,963,562	5,111,534

Expenses recoverable	14,575	-
	<u>\$14,374,344</u>	<u>\$14,842,318</u>

Post the year end it was agreed the balance of unspent funds advanced to InfraCo totalling £4,259,259 (US\$7,070,370) would be repaid by InfraCo to PIDG Trust and PIDG Trust in turn would return capital of the same amount to DFID. The amount expended by InfraCo in the development of the InfraCo Asia project was expensed as a grant in the 2009 year.

4. CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash on hand and balances with banks. Cash and cash equivalents included in the cash flow statement comprise the following balance sheet amounts:

9. SUBSEQUENT EVENTS

Except as noted elsewhere, subsequent to 31 December 2008, the PIDG Trust has not undertaken any following material transactions.

10. FINANCIAL INSTRUMENTS AND ASSOCIATED RISKS

Fair Values

The PIDG Trust's financial assets include non-current investments which are reviewed for impairment each year end.

The PIDG Trust's current financial assets and liabilities include accrued contributions receivable, cash and cash equivalents and other payables. All of these financial assets and liabilities are realised or settled within a short time period and therefore the carrying amount of these assets and liabilities approximate to fair values.

The PIDG Trust's financial liabilities include non-current loan balances from donors. These loan balances do not attract interest and have no fixed repayment terms, therefore the principal amounts owing at the balance sheet date approximate to fair values.

Associated Risks

The PIDG Trust's activities expose it to various types of risk in the normal course of its operations. The Trustees consider the risks to be minimal since no payments are made, or expenses incurred in advance of contributions, or commitments to cover such payments or expenditure having been received.
