

Clarifications on the Request for Proposal – Biokala Power Concept Note

<p>(i) Can you provide a list of the documents (including financial models) that will be made available for the Consultant's review?</p>	<p>We can try and provide whatever information and documentation that is required. This is likely to include the EAIF credit paper, the concession agreement, any E&S impact studies that have been done, the lenders technical report, the project financial model.</p>
<p>(ii) Can the Consultant have contact with the main project participants</p>	<p>The Consultant will be able to have direct contact with the main project participants.</p>
<p>(iii) What are the deliverable timelines for the Draft and Final Concept Notes?</p>	<p>We would like to receive the draft concept note within four weeks of contract signature and the final concept note four weeks after the submission of the draft concept note. These timelines may change depending on the progress of the underlying project.</p>
<p>(iv) Do you require separate Financial and Technical proposals or will a single document suffice?</p>	<p>A single document will suffice.</p>
